DATE: March 25, 2008

This notice is to verify the correct process for filing a Notice of Denial with the division. The denial can be filed via Electronic Data Interchange (EDI) but **MUST** be filed on Form C23, Notice of Denial. The EDI Implementation Guide, FROI Event Table and the SROI Event Table have been updated to clarify this process. Form C23 is required to be filed because the reason for denial and the effective date of the denial are not available on the EDI denial transactions.
